GOLF COURSE MAINTENANCE WORKER 2 (2 Seasonal Positions)

We are currently accepting applications to fill two vacancies in our Turf Care team. Reporting to the Supervisor, Turf Care and Maintenance, you will perform general golf course maintenance labouring, assist with golf construction projects and assist with other golf course maintenance activities as required.

You have experience in operating motorized golf course maintenance equipment, working outdoors in adverse weather conditions and possess knowledge and experience in golf course maintenance. You are capable of working with minimum supervision within a team environment and have the ability to demonstrate independence in judgement and action. A minimum of one year of experience working in a comprehensive golf course maintenance program is required.

The wage rate for this unionized position will be \$21.34 per hour (2011 rate), and successful candidates must be available to work up to a maximum of 37 hours per week, Sunday to Thursday inclusive, starting as early as March.

To be considered, qualified applicants must be available to work for the entire season, and time off requests will be quite limited during this period. If you are interested in working with us, please submit your resume online to www.dnv.org/careers by 4:30pm on January 31, 2014.
