

NORTHLANDS  
GOLF COURSE

**GOLF COURSE MAINTENANCE WORKER 2  
(2 Seasonal Positions)**

We are currently accepting applications to fill two seasonal vacancies in our Turf Care team. Reporting to the Supervisor, Turf Care and Maintenance, you will perform general golf course maintenance labouring, assist with golf construction projects and assist with other golf course maintenance activities as required.

You have knowledge and experience in operating a variety of motorized golf course maintenance equipment, as well as overall golf course maintenance, and have the ability to work outdoors in adverse weather conditions. We are looking for someone who is reliable, capable of working with minimum supervision within a team environment and able to demonstrate independence in judgement and action. A minimum of one year of experience working in a comprehensive golf course maintenance program is required.

The wage rate for this unionized position will be \$22.93 per hour (2015 rate) plus 12% in lieu of benefits. Flexibility in shift work is required, successful candidates must be available to work weekends and up to a maximum of 37 hours per week.

To be considered, qualified applicants must be available to work for the entire season, and time off requests will be quite limited during this period. If you are interested in working with us, please submit your resume online by March 4, 2016 to [www.dnv.org/careers](http://www.dnv.org/careers).

*We appreciate your response and advise that only those applicants selected for an interview will be contacted.*
